Teaching Assistant: To be announces

Requirements & Grades:

The course grade comes 80% from exams and 20% from quizzes. To pass the course, students taking the course for a letter grade must average at least a **D-** and have at least two passing grades (i.e., **D-** or better) on exams.

EXAMS: There will be 5 non-comprehensive short tests, spaced relatively evenly throughout the term. Tests will consist of combinations of questions for short and multiple choice answers. Your lowest grade of the 5 is discarded; the other four will each count for 20% of your course grade.

POP QUIZZES/POLLS: Short pop quizzes and polls will be given after every online lecture. Your participation quizzes will count for 20% of your total grade.

Materials:

READINGS: Readings for this course are available as PDF's from the Blackboard EReserves page; there is no physical textbook. All notes and other materials will be available on the main course web page.

PHI 111 Fall 2020 Syllabus Addenda

Detailed Grade Calculation Rules:

1. Every exam is given a letter grade. These letter grades range from **A+** (the best) to **F** (the worst).
2. Each of these letter grades has a numerical equivalent. Here are the possible letter grades and numerical equivalents.

A+ = 15	B = 11	C- = 7	E+ = 3
A = 14	B- = 10	D+ = 6	E = 2
A- = 13	C+ = 9	D = 5	E- = 1
B+ = 12	C = 8	D- = 4	F = 0
3. Once this assignment of letter grades is made for a given exam, that letter grade (i.e. its 15-point scale equivalent) is all that matters from that exam for calculating your final course grade.
4. I use the numerical equivalents of the letter grades to calculate a composite numerical grade: In this class, your 4 best exams each count for 20% of your final grade. A composite grade from your short quizzes is assigned on the 15-point scale as well; that counts for 20% of your overall grade.
5. I round the composite numerical grade to the nearest integer (.5 and above go up, below go down). I convert back to letter grades using the chart above. You get the letter grade determined by the chart, except if (i) you got an **A+**, in which case your official grade is an **A** (the University doesn't use **A+**); (ii) you got lower than a **D-**, in which case your official grade is **E**; or (iii) you didn't get at least a **D-** on at least 2 of the exams, in which case your official grade is an automatic **E**.
6. I reserve the right to reduce grades for the course based on failure to follow course rules – e.g., for being disruptive in class, etc.

Cheating:

Any student caught cheating in the course will be failed for the entire course and will be turned in for further disciplinary action by the Dean's office. Instances of cheating include but are not limited to copying from others during exams or quizzes, using someone else's iClicker for them or having someone use yours for you, and using notes during exams.

Makeup exams and quizzes:

Makeup exams (and clicker quizzes/polls) are given only under conditions the conditions specified by UAlbany: see the medical excuse rules (at https://www.albany.edu/health_center/medicalexcuse.shtml) and religious practice excuse rules at <https://www.nysenate.gov/legislation/laws/EDN/224-A>) for details. In addition, to be given a makeup exam/quizz in this course, you must do all of the following:

1. Obtain a letter of excuse from the Office of the Vice Provost for Undergraduate Education; all inquiries about such letters and the documentation required for them should be directed to them. This request (with documentation) is to be made to the Vice Provost's office (LC 30) no more than two weekdays after the end of the period for which you are asking to be excused.
2. Give me a **written** (by e-mail) request for a makeup exam/quizz. This request must be given to me no more than two weekdays after the end of the period for which your absence has been excused.
3. Talk to me in person at the end of the first class after your excused absence in order to schedule a makeup.
